*The strategy of spreading extremism and its impact on Egypt's regional role*

**ABSTRACT**

The importance and objectives of the study were an attempt to understand the methodology of disseminating radical thought and the reasons of social acceptability that make young people embrace this thought. It also sheds light on the impact of this phenomenon on the regional role of Egypt and examines the strategic means and standards that the Egyptian state focuses on in immunization and prevention of extremism.

Key Words: Extremism, Social Acceptance, Youth, **McCarthyism**, Rdicalism, Community Policing.
